## Summer “Bring A Partner” Clinic

The “Bring Your Own Partner” program will be a method of training both the athlete and the partner (parent, big sis, etc.) to maximize learning in the gym and at home. Both the athlete and the partner will be “coached” on the fundamental skills and participate in simple drills on the court. It is a great opportunity for athlete and partner to spend quality time together while learning the game of volleyball!

We are offering this four week developmental volleyball program “Bring A Partner” Clinic for Republic boys & girls in grades K-5th grade (2023-2024 school year) who love volleyball and want to learn more about the sport. Clinic age-specific details are listed below.
